OBJECTIVE

To secure a position in the Technology Industry as a Full Stack Web Developer utilizing my current skill set, while continuing to further my knowledge in the field.

EDUCATION

University of Central Florida, Orlando, FL — Full Stack Web Development

SEPTEMBER 2019 - MARCH 2020

Graduate of the University of Central Florida's Full Stack Web Development Bootcamp

Polk State College, Lakeland, FL — Associates of Arts

JANUARY 2015 - AUGUST 2019

Methodist University, Fayetteville, NC — Mathematics and Computer Science

AUGUST 2012 - DECEMBER 2014

Completed 66 Hours

EXPERIENCE

Streamsong Resort, Bowling Green, FL — Golf Services Lead

APRIL 2016 - MARCH 2020

Responsible for providing on-the-job training, coaching, and development of 20+ team members.

Directed the daily workflow of golf operations at the Streamsong Red & Blue Clubhouse.

Communicated effectively with guests to resolve conflicts and arrive at mutually beneficial solutions.

Independent Contractor — Pneumatic Pump Repairs

AUGUST 2015 - APRIL 2019

Maintained extensive log of all services completed to aid in comparing cost to repair versus cost to replace pump before making repairs.

MacLan Corporation, Lakeland, FL — Maintenance Mechanic

JANUARY 2015 - AUGUST 2015

Studied diagrams and schematics to accurately diagnose and repair failing plant equipment.
